

Hi Joe,

I just wanted to drop you a quick email to say thank you for the great job you did on Saturday night (since I didn't have a chance to talk to you on the night really). My family and friends had an excellent time and really enjoyed your choice of music during the evening.

Regards, Melissa James

Hi Joseph,

I just wanted to say thank you for the terrific job you and the Sax player did at my wedding. Your timing and music choice was impeccable and it really added to the emotion and vibe of the evening.

I will be forwarding on your details to my friends and family who have asked for them for their own weddings and special occasions. I will be looking to work with you again in a work related capacity.

Please pass on my thanks to the Sax player also; I received many complements about him too.

Kind Regards,
Kim
